

We look forward to welcoming you to our offices in Landquart.

Business Center Landquart (address: Bahnhofplatz 3A) is directly on Bahnhofplatz, the square in front of Landquart railway station. You'll find reception at the right-hand entrance on the north side of the building. Please call +41 81 839 7111 if you need further information.

#### Travelling by car

Travelling by car? There's no parking right next to the BCL, but you'll find paying short-term parking spaces on the east side of the building, along Bahnhofstrasse and on Bahnhofplatz. From the A13 motorway: Take the Landquart/Davos exit and head for Davos. Then take the first exit on the right from Prättigauerstrasse (before the tunnel) towards Landquart/Malans/Maienfeld. At the roundabout, take the first exit towards Landquart. At the next roundabout take the first exit onto Bahnhofstrasse, and continue to Bahnhofplatz. For longer stays we recommend using the Designer Outlet car park. From there the BCL is only a short distance on foot through the railway underpass. From the A13 motorway: Take the Landquart/Davos exit, then follow the signs for Designer Outlet. We recommend parking on the far west side of the car park.

#### Travelling by rail

The BCL is to the south of the railway station building. You'll find reception at the right-hand entrance.
