

We look forward to welcoming you  
to our offices in Ilanz.

### Travelling by car

Take the first Ilanz exit. At the first intersection turn off towards Versam and drive straight over the bridge to the fountain (right-hand side). Continue towards Versam (around 400 metres) until you see the glass Repower building on your left (Hotel Eden Montana on the left). Clearly marked parking spots are available for visitors on the right-hand side after the main entrance to Repower.

### Travelling by rail

The Repower building is only around two minutes' walk from Ilanz railway station. At the station walk to the left to Hotel Eden Montana, and then continue straight. Cross the road and you'll see the glass Repower in front of you.
