

We look forward to welcoming you
to our offices in Küblis.

Travelling by car

Leave the motorway at the Landquart/Davos exit and continue towards Davos. After around 21 kilometres you will reach Dalvazza/Küblis. Around 50 metres after the Audi/Volkswagen dealership turn right onto the bypass towards Conters. Turn left before the bridge and you'll see the Repower plant in front of you.

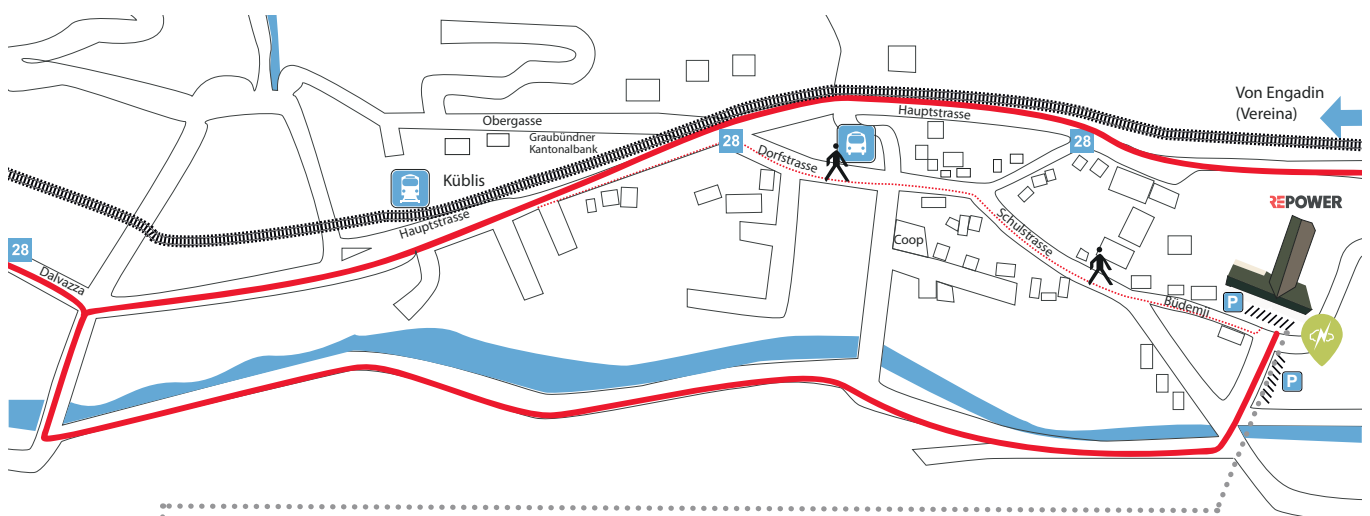

Coming from the Engadine (Vereina), follow the main road towards Landquart until the village of Küblis. Around 50 metres after the light at the pedestrian crossing, turn left onto the bypass towards Conters. Turn left before the bridge and you'll see the Repower plant in front of you.

Parking is available for visitors.

Travelling by rail

Küblis station is opposite the Audi/Volkswagen dealership. Walk along the bypass towards Conters (there's very little traffic, so it's not dangerous!) and you'll be at the Küblis plant within a few minutes.
